- Sweden - 2
- Belgium - 1
- Ireland - 1
- New Zealand - 1

Total number of delegates: 279

Seagriculture USA 2022, which was held on 7 - 8 September 2022 in Portland (ME), was made possible with the support from the State of Maine. Having evaluated the results of the first edition the State of Maine favorably decided to support again the second edition of the conference to take place in Portland. Maine is an ideal place to cultivate kelps, with its clean, cold water, abundant coastline, and knowledgeable fishermen.
