## 12-15·DECEMBER·PRAGUE

ALGÆEUROPE2023  
12-15·DECEMBER·PRAGUE

Jointly organized by EABA and DLG Benelux, AlgaEurope 2023, the esteemed annual conference highlighting breakthroughs and trends in the algae biomass sector, saw an extraordinary gathering of 407 delegates from 40 countries and 221 organizations.

“Another year of great success with key topics which have unraveled the promising future of the algae sector...” said Carlos Unamunzaga, President of EABA.

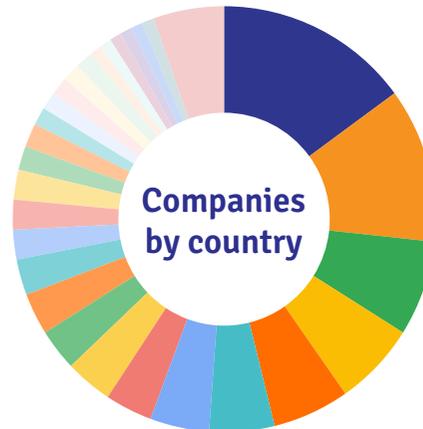

Kuno Jacobs, Managing Director of DLG Benelux, expressed satisfaction, stating, “AlgaEurope becomes more and more a platform where science, technology and industry meet, and it is our ambition to further develop and strengthen the position of AlgaEurope in the coming years.”

## How would you rate the organisation of the conference?

## Have you acquired new knowledge or insights that you find valuable from this conference?

- Yes, I have gained significant new knowledge and insights across multiple topics - 50%
- Yes, I have acquired new knowledge and insights in at least one area - 37%
- Yes, I have learned a few new things, but nothing substantial - 12%
- No, I haven't picked up any new knowledge or insights - 1%

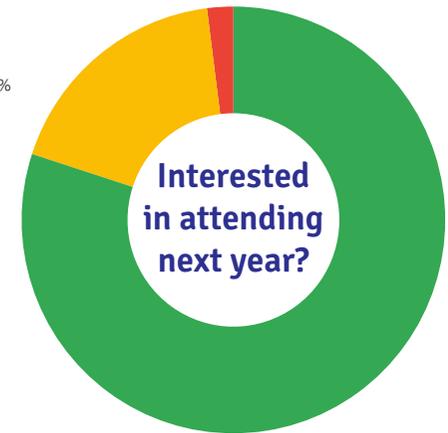

AlgaEurope brings together algae professionals to exchange knowledge and foster partnerships to collectively advance the industry and unlock its full potential!

The main reasons to attend AlgaEurope are:

- network and meet in person
- expand your knowledge
- find solutions to problems

- Yes - 80%
- I don't know yet - 18%
- No - 2%

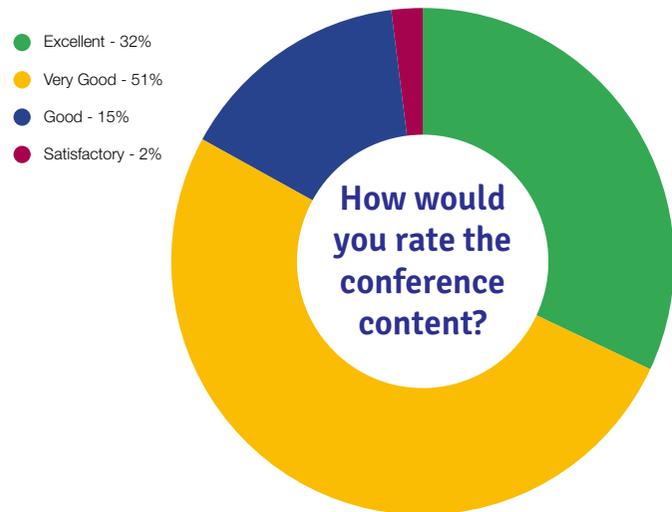

- Excellent - 37%
- Very Good - 41%
- Good - 16%
- Satisfactory 6%

# Conference Program AlgaEurope 2023

AlgaEurope unfolded over four days featuring a curated program delivered by 112 expert speakers. The content spanned scientific, technological, and business dimensions within the global algae biomass sector. More than 20 plenary sessions covered Physiology, Biorefinery, Food, Feed, Biostimulant, Bioremediation and Biomaterial among others.

# Sponsors and Trade Show Participants

- Will sponsor again - 70%
- Don't know yet - 30%

## The main reasons why companies sponsor and exhibit:

Establish a presence in this developing market

Establish new business contacts

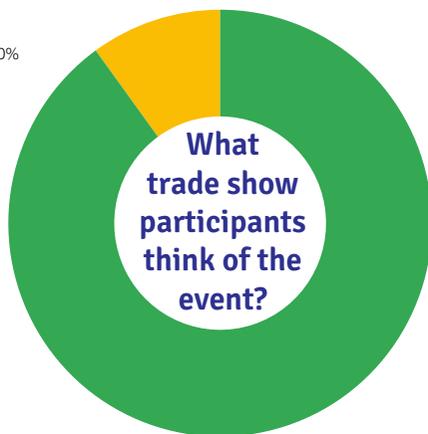

Sell products and/or services

Obtain market information

- Will participate again - 90%
- Don't know yet - 10%

## Trade Show Participants

The **Algae Happy Hour** offered the unique possibility to taste algae products while networking and exchanging with other professionals in the industry. A knowledgeable and fun way to promote algae products!

This year the dinner took place at a unique location - the Municipal House of Prague. The **conference dinner** is an additional opportunity to talk informally with fellow researchers and entrepreneurs.

The organizers have implemented a **conference application** which allowed participants to interact before, during and after the conference. Among other functions, participants can communicate through direct messages, schedule meetings, and receive the latest news.

One of the highlights of the conference was the **poster presentation area**, providing researchers with a platform to present their work. This year, 136 posters were presented at the conference.

The **Poster Presentation Award** recognized outstanding contributions.
