“Making the most from nature: SCHOTT - Gold Sponsor at AlgaEurope 2021”

We are pleased to present you our Gold Sponsor SCHOTT AG. They are sponsor of AlgaEurope 2021 which will be held online from 7th to 10th December 2021.

SCHOTT is a manufacturer of high-tech materials based on special glass. Always opening up new markets and applications with a pioneering spirit and passion – this is what is driving the #glasslovers at SCHOTT since more than 130 years. SCHOTT offers technically and economically superior products for tubular glass photobioreactors (PBR) to the algae market.

Borosilicate glass tubing DURAN® allow for optimum light input for the highest growth rates. It offers protection against bio-contamination and culture crashes. With U-bends, manifolds and food-grade couplings they provide reliable and long lasting solutions for bio-secure algae cultivation of haematococcus, spirulina and others.
