Glass cleaner

USE

GREEN'R WIND is an ecological ready-for-use cleaner. It is designed to clean glass, shiny, modern and laminated surfaces, including food areas. It is formulated to dry quickly without leaving marks or fog. It leaves a pleasant fragrance of spring flowers when used.

GREEN'R WIND has a minimal impact on the environment.

INSTRUCTIONS FOR USE

GREEN'R WIND is sprayed directly onto the surface to clean from around 20 cm. Then wipe up with a clean, dry cloth (or microfibre).

The product must be rinsed off if used in areas where food is prepared.
