Feed Chart Hydro/Coco - Without Extra CO₂

Important: This Feed Chart is just a guide.

It is possible to deviate.

First add A to the water then B. Continue until PPM is reached.

Use equal quantities from A and B !

GROW BASE FEED

Our 2 part grow base feeds are highly concentrated and provide your plants with all the essential macro and micro nutrients needed for excellent plant growth. Our food-grade formula is free of heavy metals and PGRs.

ADVANTAGES:

- ▶ Stimulates maximum growth
- ▶ Increases strength and health throughout the growth phase
- ▶ PPM 900 - 1000
- ▶ Suitable for every irrigation system
- ▶ Optimal absorption by the plant
- ▶ No residue

Available in: 1.05 Qt/1.32 Gal/2.64 Gal/5.28 Gal

BLOOM BASE FEED

Our 2 part bloom base feeds are highly concentrated and provide your plants with all the essential macro and micro nutrients needed for excellent bloom. Our food-grade formula is free of heavy metals and PGRs.

ADVANTAGES:

- ▶ Stimulates maximum bloom
- ▶ Increases strength and health throughout the bloom phase
- ▶ PPM 1000 - 1200
- ▶ Suitable for every irrigation system
- ▶ Optimal absorption by the plant
- ▶ No residue

Available in: 1.05 Qt/1.32 Gal/2.64 Gal/5.28 Gal

ROOT STIMULATOR

Our root stimulator stimulates extraordinary root growth and contains several vital minerals to increase your plants resistance against fungi and bacteria. Our food-grade formula is free of heavy metals and free of PGRs.

ADVANTAGES:

- ▶ Stimulates extraordinary root growth
- ▶ Improves cell division, cell elongation and nutrient transport
- ▶ Increases nutrient absorption
- ▶ Contains vital micronutrients
- ▶ Suitable for every irrigation system
- ▶ Optimal absorption by the plant
- ▶ No residue

Available in: 8.45 fl oz/1.05 Qt/1.32 Gal/2.64 Gal/5.28 Gal

NUTRIENT ENHANCER

Our nutrient enhancer helps with nutrient uptake, soil structure, and resistance against diseases. Our food-grade formula is free of heavy metals and free of PGRs.

ADVANTAGES:

- ▶ Improves soil structure
- ▶ Promotes bacterial life
- ▶ Stimulates the Cation Exchange Capacity (CEC)
- ▶ Increases resistance against fungi and bacteria
- ▶ Contains Humic and Fulvic Acids
- ▶ Optimal absorption by the plant
- ▶ No residue

Available in: 8.45 fl oz/1.05 Qt/1.32 Gal/2.64 Gal/5.28 Gal

BUD BOOSTER

Our Bud Booster gives your plants an explosive hardening of the blossom. It enhances sugar production and increases your plants' resistance against diseases. Our food-grade formula is free of heavy metals and free of PGRs.

ADVANTAGES:

- ▶ Stimulates an explosive hardening and growth of the blossom
- ▶ Improves strength and resistance against diseases
- ▶ Increases the amount of glucose produced
- ▶ Optimal absorption by the plant
- ▶ Suitable for every irrigation system
- ▶ No extra PK 13/14 needed
- ▶ No residue

Available in: 8.45 fl oz/1.05 Qt/1.32 Gal/2.64 Gal/5.28 Gal
