

BOP High Viscosity Starter Kit - 60L

Part Nr.: BP60S-OHA

Description

There's never been a smarter pump. Designed and made in Australia, the Macnaught BOP60 is a portable and rechargeable 18volt battery operated pump, designed to improve workshop efficiency and reduce fatigue with the flick of a switch. Simple but clever, the BOP powerhead can be transferred across multiple pump stems to reduce setup costs. The on-demand flow nozzle allows full control over fluid delivery with flow rates up to a min of 2L/min. This High viscosity battery operated pump is suitable for heavy oils up to SAE140. The pump includes a **unique yellow nozzle hook** for easy identification.

Technical Specifications

- Lubricant Range - Heavy Oils up to SAE140
- Delivery Rate - Min 2L/min
- Drum size - Nominal 60L
- Adjustable Suction Tube and 1.5m transparent hose
- On demand flow control
- Battery - 2.0Ah Li-Ion
- Priming - Self Priming
- Wetted Components - Nitrile Rubber, Mild Steel, Stainless steel, Nylon, Brass, Polypropylene, Zinc plated steel.

Features & Benefits

- Separate modular Powerhead – multiple oils with one Powerhead
- Lubricant Range - Heavy Oils up to SAE140
- Safety lockout carry handle for simple Powerhead transfer
- Drum Size - 60L (16GAL)
- Delivery Rate - Min 2L/min
- Sealed wetted parts - zero contamination
- Simple Single handed 'on demand' flow control
- No more pumping by hand to reduce fatigue by alleviating fatigue and other WH&S issues.
- Pump stem with Adjustable Suction Tube and 1.5m transparent hose

Package Includes

- BOP Powerhead
- 60L Hi Vis Pump Stem Kit
- BOP 2.0AH BATTERY
- BOP CHARGER AU
- Instruction manual
