

BOP20 BATTERY OPERATED PUMP

Freedom. That's what it is, freedom. There's never been a smarter oil pump. Designed and manufactured in Australia, the Macnaught BOP20 is a portable and rechargeable, 18volt battery operated oil pump, designed to improve workshop efficiency and reduce fatigue with the flick of a button. Simple but clever, the BOP20 powerhead can be transferred across multiple pump stems to reduce set-up costs and the 'on-demand' flow nozzle allows full control over oil delivery with flow rates up to 3.5L/min. Single-handedly, it will improve the workflow in your workshop.

BOP20
BATTERY OPERATED PUMP

Easy control nozzle
Simple single handed 'on demand' flow nozzle

Easy portable Powerhead
Single Powerhead for multiple pump stems

New modular concept
Sealed wetted parts for zero contamination

FEATURES & BENEFITS

- Sealed wetted parts - zero contamination
- Separate Powerhead - multiple oils with one Powerhead
- 18v rechargeable 2.0Ah battery delivers up to 105ltrs
- Oils up to SAE90 - most under car applications
- Flow rates up to 3.5L/min
- Safety lockout carry handle for simple Powerhead transfer
- On-demand flow control
- No more pumping by hand alleviating fatigue and other WH&S issues

TECHNICAL SPECIFICATIONS

- Compatible fluids - Lubricating oils
- Flow control - On demand
- Drum size - Nominal 20ltr
- Delivery rate - Up to 3.5L/min
- Lubricant range - 0W40 - SAE90
- Priming - Self priming
- Battery - 2.0Ah Li-Ion
- Charger - 1hr fast
