

# LUBE CART VF

## Heavy duty transport cart for lube equipment

### Description

This heavy duty general purpose utility cart is ideal for transporting all lube equipment around the plant, specifically OilSafe cans and grease guns. Standard with one 115 liters retention tray or a fixed spill tray with grid & drain valve. Extra separate spill tray available.

It is made of powder coated steel, colour blue, and comes with 125 mm wheels ( 2 fixed & 2 swivel with break ). Extra large rubber air tires 230 mm available for use in harsh outdoor environment and for uneven floors. Strong handle push bar.

The Lube Cart VF has 2 shelves capable of standing 100 kg each. Each shelf is liquid tight with an edge of 25 mm.

The Lube Cart VF is rust proof, scratch proof & withstands most chemicals, oil, grease etc.

This mobile work center is shipped assembled, ready for use.
