on-site Warranty**
for qulu
Servers

The warranty on qulu servers is supported under the terms of HP Foundation Care Service (HP Foundation Care) and is composed of comprehensive hardware and software services aimed to help increase the availability of your IT infrastructure. HP technical resources work with you to help you resolve hardware and software problems with HP products.

For hardware products covered by HP Foundation Care, the service includes remote diagnosis and support, as well as onsite hardware repair if it is required to resolve an issue.
