

Application requirements for financial support from ICLAS for activities that will take place in 2022

Deadline for submission: September 1st, 2021

ICLAS supports programs and activities that benefit the largest possible audience within each region of the world. Funding requests are prioritized by each of ICLAS' Regional Committees: Africa, Asia, Americas, Europe, Oceania. The amount of funding awarded is generally up to €2000 for initiatives with local impact. Requests for larger amounts of funding are considered for initiatives with regional or global impact. **All funded initiatives must support the ICLAS mission**, which appears at the top of this document. Once each year, each ICLAS Regional Committee will review the applications submitted by members in its region. The committees then refer the most compelling of these requests to the Governing Board for funding decisions. The Governing Board funding decisions are ratified by the ICLAS General Assembly. Announcements of funding request deadlines are made once each year to ICLAS Members. Contacts for Regional Committees may be requested at info@iclas.org

Funding Requests are submitted following the application format described on page 2 of this document.

1. ICLAS Members provide to their Regional Committee information about the proposed activity following the prescribed format. The Regional Committee may correspond with members to assist with clarifying or strengthening requests.
2. The Regional Committee ranks the requests, and forwards them to the Governing Board for review and funding decisions at the annual board meeting.
3. Governing Board budget and funding decisions are ratified by the ICLAS General Assembly held shortly after the board meeting.
4. Members are informed of the funding decisions. The ICLAS treasurer is contacted for release of approved funds to the account designated in the funding request.
5. At the completion of the funded activity:
 - A detailed report of the program/activity (number of participants, geographical attendance, achievements, etc.) is prepared by the funding recipient.
 - Actual expenditure details of ICLAS funds is described.
 - Details of the value of the ICLAS contribution are provided.
 - These documents should be presented to the Secretary General with a copy to the Treasurer not later than 3 months after the end of the program/activity.

Mission: ICLAS is an international scientific organization dedicated to advancing human and animal health by promoting the ethical care and use of laboratory animals in research worldwide.
