Brief description of the activity (100 words maximum):

This proposal was submitted in 2018 and approved for ICLAS funding 2019.  
However, it could not be completed and funding was not paid to CALAS.  
ICLAS Governing Board met in 2021 and suggested that the proposal is  
revised for ICLAS funding 2022 and to separate one proposal of each  
association. The scholarship name was adjusted to ICLAS Online Laboratory  
Animal Science Training Scholarship. In June, 2022, CALAS decides to  
become a global partner of AALAS, and now CALAS is trying to contact  
AALAS to ask what kind of documents CALAS should provide to AALAS to  
become a global partner of AALAS. Once CALAS successfully becomes the  
global partner of CALAS, CALAS will purchase the enrollment seats for  
scholarship recipients. We can't give the exact day now as it depends on the  
time of successfully becoming the global partner.
