Disclaimer:

No rights can be derived from the pricing.

Not all health insurers reimburse the therapeutic sessions. Ask your health insurer in advance whether they reimburse the treatments.

You can use the trajectories through supervision or as a reintegration trajectory when you are on sick leave. Ask your employer if they can reimburse this.

As an alternative therapist, we do not make a diagnosis, nor do we suggest that alternative therapy replaces regular care. For your best care, I work closely with your practitioners in the regular health field, to provide the best care for you.
