KOECKERS

Den Hout

Welcome to the Koeckers

The koeckers are a small family who live in the trees. The family members are all named after the tree in which they are born, except for the charming Puk Jongeling. Nobody knows where he is from. Once upon a time he crawled out of a pancake batter pot of Grandma Koecker, and since then he has lived with the Koeckers.

RESPONSIBLE AND SUSTAINABLE

Just like our Koeckers family we find it just as important to take care of our nature. We only serve organically grown coffee with the Fairtrade label. In addition, our meat supplier has the Environment and better life authentication, a distinction that we are very proud of!

ALLERGY OR OTHER QUESTIONS?

Do you have an allergy or a food intolerance? Let us know, we have a special menu for you.

KOECKERS TOKENS

The Koeckers love children! Take a look at our special playgrounds inside and outside. To make sure the children are spoiled enough, they receive Koeckers money with their pancakes and desserts. With these tokens you can visit our shop, and choose a gift and even save up for a bigger gift.

The currency of 1 Koeckersdukaat (token) is € 0,60. You can always buy Koeckersdukaten (tokens) at the reception.
