KOECKERS

Den Hout

Welcome to the Koeckers

The koeckers are a small family who live in the trees. The family members are all named after the tree in which they are born, except for the charming Puk Jongeling. Nobody knows where he is from. Once upon a time he crawled out of a pancake batter pot of Grandma Koecker, and since then he has lived with the Koeckers.

Where beautiful stories begin

KOECKERS TOKENS

The Koeckers love children! Take a look at our special playgrounds inside and outside. To make sure the children are spoiled enough, they receive Koeckers money with their pancakes and desserts. With these tokens you can visit our shop, and choose a gift and even save up for a bigger gift.

The value of 1 Koeckersdukaat (token) is € 0,60. You can always buy Koeckersdukaten (tokens) at the reception.
