INSTRUCTIONS ORGANIZER OFF A DIY GAME

Awesome that you're gonna play a DIY game. As an organizer you want to be well prepared. We help you in four steps to optimal preparation and a successful game!

Step 1: The preparation

✓ Read the manual for the game carcfully, so that you understand how the game works. If you have any questions, please call us on +31 85 065 4537 or send an email to boekingen@cityadventures.nl. We are happy to answer your questions.
✓ Arrange a **fully charged** phone/tablet with the app installed for each team. (see step 2)
✓ Arrange a start time and start location where everyone is at the agreed time.
✓ Think about the closing. If you play in multiple teams, it might be fun to hold an award ceremony for this and perhaps to arrange a prize for the winning team.

Step 2. Setup Phone(s)/tablet(s)

✓ Make sure every team has access to a **fully charged** phone/tablet with mobile internet (3G/4G)
✓ Install the **Quest Vault** app at least a day in advance (if possible), this can be done via both Google Play and the Apple App store.
✓ **Turn off WIFI** on the phone/tablet and make sure the **mobile data/data is turned on**.
✓ **Turn on GPS/Location** on your phone/tablet.

Step 3. Start game

✓ When the group is complete, hand over the game manuals and give a short explanation by walking through the manual with them.
✓ Make sure each team has access to the **fully charged** phone/tablet.
✓ Start the app on each phone.
✓ Enter the game code. (you have received this or will you receive it from us by mail)
✓ Make up a team name.
✓ All teams ready? Press start on one of the devices. Have fun!

Stap 4. End of game

✓ View the final scores of the teams and draw up the final standings.
✓ Optional a prize ceremony
✓ You will receive the final standings and photos from us afterwards by mail. Sometimes this ends up in the spam/junk mail. Don't forget to check these. We use the mail adress with which you logged in to the app.

Attention: During The Hunt you won't take any photo's during the game.
