Criminals

Your goal is to stay out of the hands of the hunters. At the start of a game round, you have one minute to make escape. The hunters can't catch you and have to go to a police station before they can start. You yourself cannot commit crimes in this first minute.

Location Hunters and yourself

On your screen you can see the distance between you and the hunters, but you can't see where they are. The hunters will see your location once every 5 minutes. You see when this will happen.

Also if you have committed a crime, the hunters see your location. So get out there quickly!

Once in a round you can see the locations of all hunters for one minute by pressing the button.

Playing area

The playing area is indicated by an orange rectangle. If you are outside of this area for more than 1 minute during the game the hunters will see your location continuously and you will lose 10 points.

Earning points

During the game you can earn points by committing crimes. Various symbols of safes that can be cracked are visible on the map. Do you have a safe in your action circle? Click on the safe to start cracking it.

Cracking a safe takes a certain amount of time and earns you points:

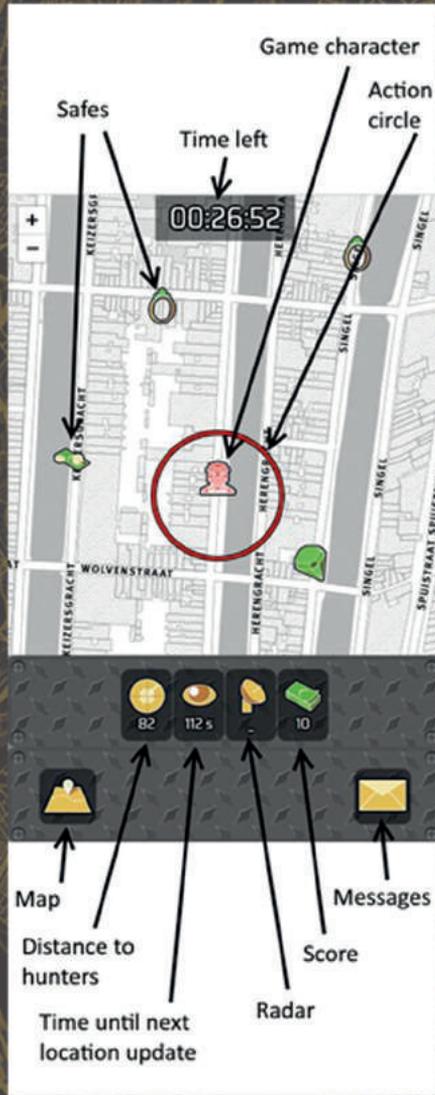

Safe	Time needed	Points
	10 seconden	2
	20 seconden	4
	40 seconden	10
	60 seconden	15

Pay attention! After you crack a safe, the burglar alarm will go off and the hunters will immediately see your location. So you leave as quickly as you can so you don't get caught.

Getting caught

If you do get caught you lose 10 points. You will become 'inactive' for 3 minutes. During this minutes you cannot be captured but also you can't committing crimes. During this period, make sure that you get as far away from the hunters as you can.

Hunters

Your job is to catch the escaped criminals.

Police station

Before you can hunt you must first visit the police station. Follow the red dotted line and get the station in your action circle. Have you caught a criminal, you also should go to the police station. After that you can continue with catch new criminals.

Location criminals and yourself

The criminals are tracked with a GPS signal. you get their exact location in three different ways.

- Once every 5 minutes
- When committing a crime
- The signal button.

Once per round you can see the location of all criminals for one minute by clicking this button. On the screen you can see the criminal's path so you have to think smart where they might be at that exact moment.

Below this symbol you can see the distance to the nearest criminal.

Catch a criminal

Only when you've spotted the criminal and you're sure if it is in your 'action circle', press the 'catch criminal' button and you will earn 20 points. If you click this button while the criminal is running too far or too fast you must wait a minute before you can try again. You can keep in touch with other hunter team via the chat to work together and determine your strategy.
