Innovate, Network, Grow: See You at PotatoEurope 2025!

PotatoEurope is an international event exclusively dedicated to the entire value chain of potatoes: from Farm to Fork! The event takes place each year in one of the event's four partner countries: the Netherlands, Germany, Belgium and France.

The next edition will be held on 3 and 4 September 2025 at the location of Wageningen University & Research (WUR), Field Crops in Lelystad, the Netherlands. This new location for PotatoEurope is situated in the heart of one of the main potato-growing regions of the Netherlands and close to World Potato City Emmeloord.
