

14th International Seaweed Conference EU  
**Seagriculture**  
17 - 19 JUNE 2025  
ROTTERDAM, THE NETHERLANDS

## POSTER PRESENTATION GUIDELINES

To prepare your poster for Seagriculture EU 2025, please read and follow the poster presentation guidelines below:

### Poster Presentation Guidelines:

- The poster board has a dimension of 97 cm (width) x 147 cm (height). Therefore, your poster should be a maximum 97 cm (width) x 147 cm (height).
- Presenting authors must **print their physical poster** and **bring the poster** to the conference **by themselves**. The organizers **DO NOT** print posters on behalf of presenters.
- Place the **title of your paper** prominently at the top of the poster board to allow viewers to identify your paper easily. The title of your poster must be the same as the title you submitted. Don't forget to indicate the **author(s) name(s)** of your paper and **contact information**.
- Authors are encouraged to **include a photo of themselves** on the poster so that they can be identified.

### Information for Setting up, Dismantling and Presentation of the Poster:

- We will **allocate you to a specific poster board**. Please check on-site which poster board you were assigned to, so you know where to set up your poster.
- You need to **take your poster** with you at the end of the conference **on Thursday, 19 June**. If you do not take down your poster, the poster will be disposed.
- Please note that there will be no dedicated poster session. Delegates will mainly read the posters during break periods, and you may want to be present and available for discussion for some of the breaks.

### Program Booklet and Delegates Page:

- If you would like to have your poster added to the program booklet (digital) and delegates page, please provide us with your poster as PDF ([a.ivanko@dlg.org](mailto:a.ivanko@dlg.org)).
